

## Partager en 2

### 1. Partage entre frère et sœur :

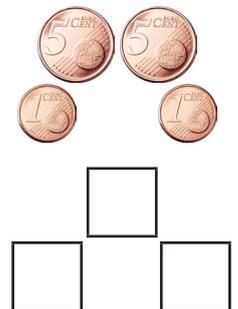

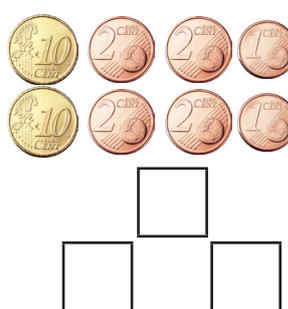

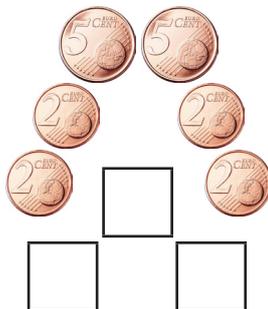

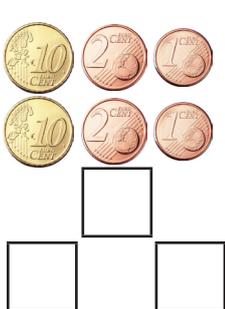

Claudine et Sébastien ont ramassé des marrons qu'ils veulent se partager. Chacun reçoit la même quantité.

### 2. Partage les ronds en 2 parts égales :

### 3. Divise les sommes d'argent :

### 4. Calcule mentalement :

Entier :	6			16	4		2		18	12		30			24
La moitié :		5	11			3		7			10		14	4
