

Connaitre le chiffre 0

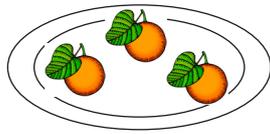

1. Inscris combien d'éléments tu as dans ton assiette :

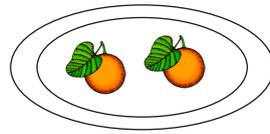

1

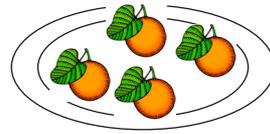

0

3

2

4

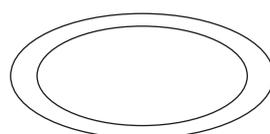

4

2

1

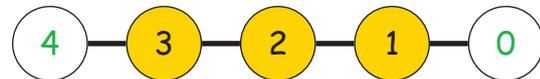

0

3

2. Complète le chiffre manquant :

3. Complète le chiffre manquant pour obtenir un total de 4 :

$1 + 3 = 4$

$4 = 3 + \underline{1}$

$2 + \underline{2} = 4$

$4 = \underline{2} + 2$

$\underline{3} + 1 = 4$

$4 = 0 + \underline{4}$

$4 + \underline{0} = 4$

$4 = 1 + \underline{3}$

$0 + \underline{4} = 4$

$4 = 4 + \underline{0}$
