

Le chiffre 3

Reproduis les chiffres 3 selon l'indication de la flèche.

Sais-tu ce que la souris veut manger aujourd'hui ?
 Trouve la solution en reliant les dominos dans le bon ordre.

The puzzle consists of a grid of dominoes. A mouse is on the left, and a wedge of cheese is on the bottom right. A path of green lines connects dominoes from the mouse to the cheese. At the top, two dominoes are shown: one with a green checkmark and one with a red X. An illustration of a chocolate bar is also present.
