

Partager en 2

1. Partage entre frère et soeur :

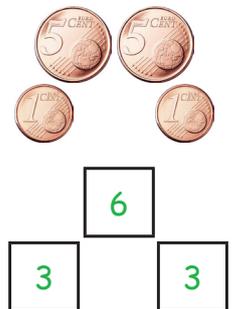

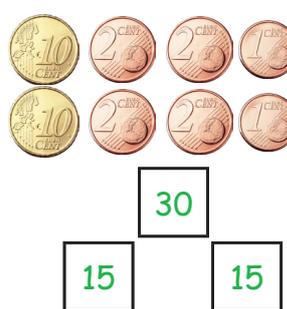

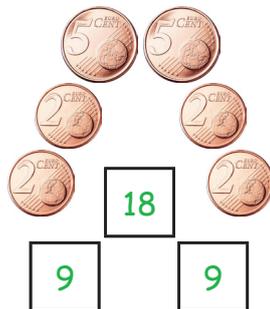

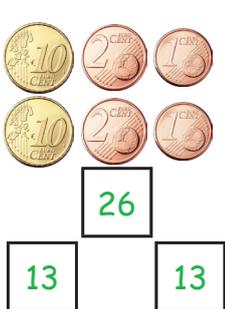

Claudine et Sébastien ont ramassé des marrons qu'ils veulent se partager. Chacun reçoit la même quantité.

2. Partage les ronds en 2 parts égales :

3. Divise les sommes d'argent :

4. Calcule mentalement :

Entier :	6	10	22	16	4	6	2	14	18	12	20	30	28	8	24
La moitié :	3	5	11	8	2	3	1	7	9	6	10	15	14	4	12
