| 2. Love is all around me | <u>5</u> I always will |
| 3. It's written on the wind | <u>8</u> you can depend |
| 4. so if you really love me | <u>10</u> of all the things you said - yes I did |
| 5. You know I love you | <u>11</u> and I give mine to you |
| 6. my minds made up | <u>6</u> by the way that I feel |
| 7. there's no beginning | <u>9</u> as I lay on my bed |
| 8. 'cause on my love | <u>12</u> in everything I do |
| 9. I see your face before me | <u>7</u> there'll be no end |
| 10. I kinda get to thinking. | <u>4</u> come on and let it show |
| 11. you gave your promise to me | <u>1</u> I feel it in my toes |
| 12. I need someone beside me | <u>3</u> it's everywhere I go - yes it is |
