

# MINI-MULTIPLICATIONS

Chacun le voit autrement.

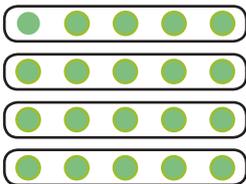

Anne regarde les muffins et voit 5 rangées de 4  
 Jean voit 4 rangées de 5 muffins et  
 David qui les regarde également voit 2 x 10 muffins.

1.

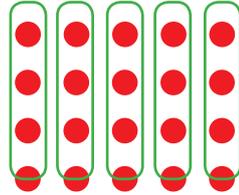

Inscris les différentes opérations et entoure les points selon tes opérations.

Exemple :

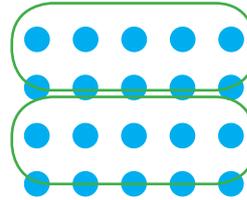

$$4 \times 5 = 20$$

$$5+5+5+5=20$$

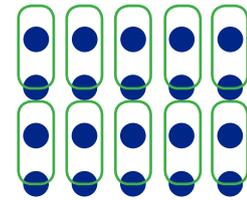

$$5 \times 4 = 20$$

$$4+4+4+4+4=20$$

$$2 \times 10 = 20$$

$$10+10 = 20$$

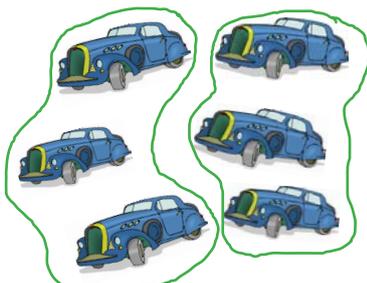

$$10 \times 2 = 20$$

$$2+2+2+2+2+2+2+2=20$$

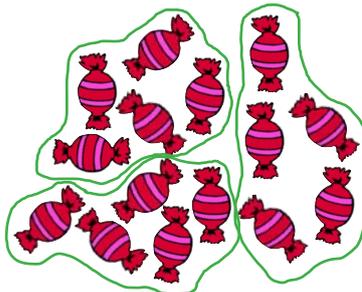

2.

Essaie de trouver les opérations pour les images suivantes.

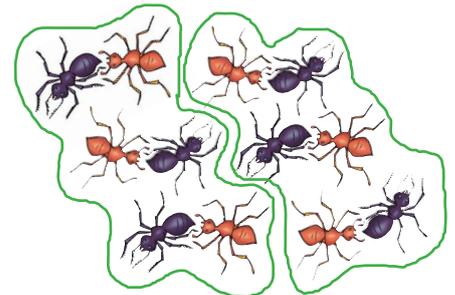

$$2 \times 3 = 6$$

$$3 + 3 = 6$$

$$3 \times 5 = 15$$

$$5 + 5 + 5 = 15$$

$$2 \times 6 = 12$$

$$6 + 6 = 12$$
