

## Exercise seasons

The year has four seasons, winter, spring, summer and autumn.  
Combine the pictures with the correct seasons by drawing lines.

The exercise consists of four seasonal words and twelve related images. The connections are as follows:

- winter** (blue) is connected to: a red winter hat, a snowman with a broom, a snow-covered landscape with a car, and a Christmas tree with gifts.
- spring** (green) is connected to: a campsite with a tent and trees, a tree with blossoms, and an Easter rabbit with colorful eggs.
- summer** (yellow) is connected to: a beach with a colorful umbrella and flip-flops, children playing in a pile of leaves, and a pink ice cream cone.
- autumn** (brown) is connected to: a woman raking leaves under a tree, a sunflower, and a pinecone.
