## Great Britain

Read the text carefully and answer the questions below:

Great Britain is situated in the north west of Europe. It is made up of 4 parts, England, Scotland, Northern Ireland and Wales. The Thames river flows through the heart of the capital, London. The red double-decker buses

which can be seen in London are very famous. The London police officers (nicknamed Bobbys) are also well-known. Britons really enjoy a nice cup of tea. One of London's most famous sites is the Queen's resisdence, Buckingham Palace. If the Union Jack can be seen waving by the palace this means that the Queen is at home.
