

Rekenen op de getallenlijn

Bereken en teken de uitkomst vervolgens op de getallenlijn!
Het eerste voorbeeld laat je zien, hoe het werkt.

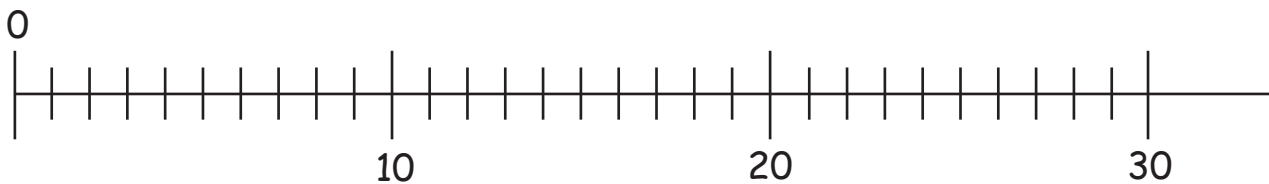

Voorbeeld:

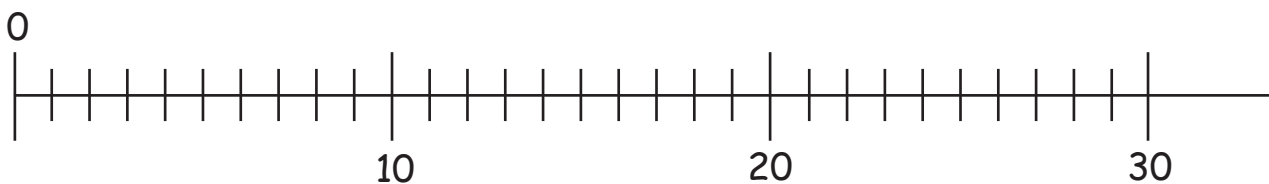

$$12 + 7 = 19$$

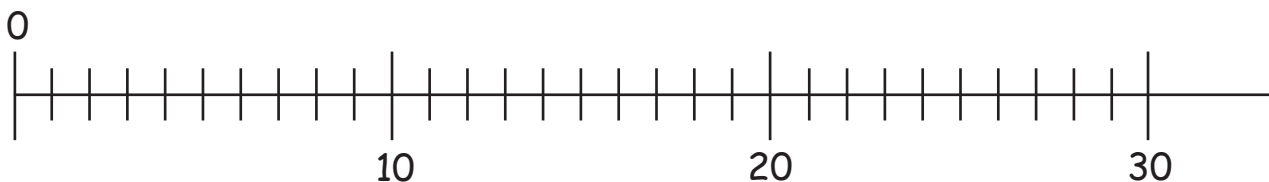

$$8 + 5 =$$

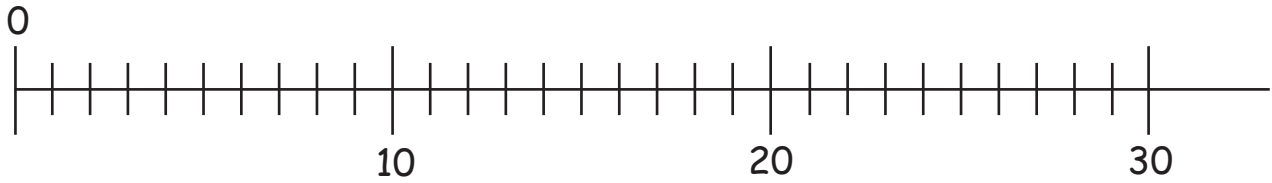

$$15 + 9 =$$

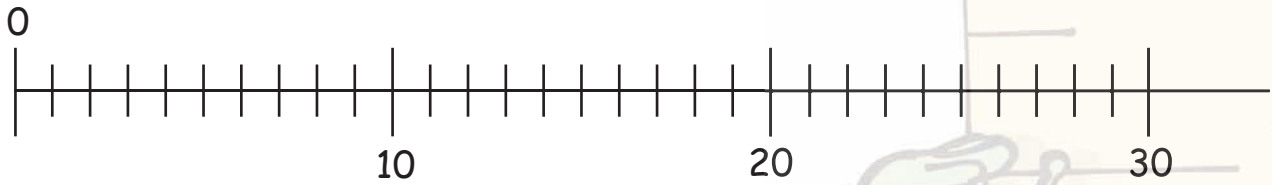

$$21 + 6 =$$

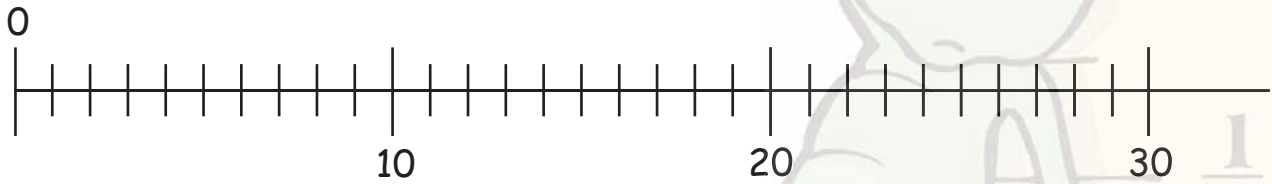

$$16 + 5 =$$

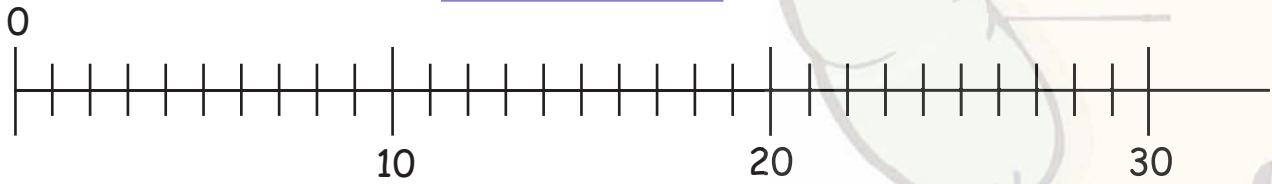

$$8 + 12 =$$

$$3 + 24 =$$

$$14 + 13 =$$

$$10 + 19 =$$
